Approval of last meeting minutes -

Council unanimously approved minutes without changes.

Check current year budget:

Principal Baker reported that Midvalley Elementary is operating within the budget and will have around 7% - 10% left over (within the limit of allowable carryover). The ipads were purchased using \$10,000.00 of LAND Trust money and a \$4,800.00 donation from a local business. Midvalley Elementary was also adopted by UTA. All change left on busses is collected by drivers and was used by UTA to buy sanitizer, wipes, soft tissues, ziploc bags and other necessities to donate to the school. Midvalley has been the recipient of 1 girl scout bronze award project and 6 boy scout eagle projects. The projects have resulted in 50 literacy game kits for the first grade, 300 student whiteboards, numerous food donations and new benches for the office and hall.

School Logo redesign - with Jeff Olsen

The council met with Jeff Olsen to discuss redesigning the Midvalley Elementary Logo and brand. Midvalley will keep the school colors of red, white and blue and remain the Jr. Huskies. Council discussed the school values and personality with Mr. Olsen and came up with adjectives to describe the students and school. The adjectives were kind, accepting, fun, educational, committed, community and hard working. Follow up meeting scheduled for Friday April 27 at 2:00 p.m. to go over initial draft. Look for the new logo to be revealed at Midvalley's 60th birthday party on May 30 at 5:30.

Recruiting and Elections for next year's council:

Zak Zabriskie will not have a student in Midvalley Elementary next year and won't be serving on the Community Council. Council members discussed elections and names of parents that may be interested in serving on the council during the 2018-2019 school year. If you are interested in serving, please contact Principal Baker. Meetings are open to anyone to attend.
