Next meeting: November 8th, at 3:30pm in Tamra Baker's Office

1. **Actions**

Motion to approve digital safety plan the school has implemented; approved by SCC

2. **Discussion**

LAND Final report. Spending went to salaries for instructional paraprofessionals and technology hardware. Progress goals were met and 15% overall improvement- see growth chart. Final report is uploaded on School LAND Trust Website and school website.

Digital Citizenship discussion, background in internet safety

"Digital Citizenship Week" where internet safety will be taught to the students in their technology class throughout the week. There will be a community outreach with information pamphlets available at the February parent/teacher conferences.

Received report on school safety drills. All were successful. Bomb drill happening in the up and coming month.

Midvalley has a Living Leader to help faculty and staff install better personal healthy living, Ms. Falke is our Living Leader.

Remaining SCC Training Oct. 11 6pm.

New Building Updates, Community meeting was held for neighbors of the school to discuss construction concerns and no one came. Parents were able to preview the floor and site plans both nights of Parent Teacher Conferences.

Midvalley Elementary

Meeting Minutes, October 11, 2018 3:30pm
