Attendance Data Summary and Analysis

Summary of Findings

- Chronic Absenteeism is defined as students who are absent 10 percent or more during the school year.
 - Students “At Risk for Off Track” are chronically absent with absenteeism rates between 10-19 percent of the school year.
 - Students “Off-Track” are chronically absent with absenteeism rates over 20 percent of the school year.
- During the 2017-2018 school year, 73.9 percent of students in grades K-5 were identified as “On Track” based on student attendance data.
- During the 2017-2018 school year, Grades 2, 4 and 5 have the highest rates of chronic absenteeism.
- During the 2017-2018 school year, Grade 3 has the lowest rate of chronic absenteeism.
- Our whole school data shows that 26 percent of our students are at risk for Off Track or Off-Track for attendance. This means 1:4 students are missing significant numbers of school days.

Precise Problem Statement

26 percent of students are not “On Track” based on student attendance data. 6 percent of students are absent 12 or more days per trimester and 26 percent of students are absent 6-11 days per trimester. This pattern is most common in most grades. We believe the problem is a result of a lack of understanding of the importance of attendance. A strategy for improvement is to inform the community about the attendance policy as well as provide information about the importance of attendance.

2018-2019 Attendance Goals

By June 2019, 80% of students in grades K-5 will attend school at least ninety percent of the time, making them On Track for graduation based on student attendance as an early warning sign.

Communication of Absences to the School

Procedure for Verification for Valid Excused Absences

Valid Excused Absences are an illness, which may be either mental or physical; a family death; an absence permitted by a school age minor's individualized education program (IEP) or Section 504 Plan; a family emergency; a family event; observance of religious holiday; medical appointment; pre-approved education/vacation leave.

- Students will be expected to obtain make-up work from their teacher and to complete make-up work and assignments within assigned timeframe.
 - A student's academic grade should not be penalized for absences or tardies.
- Teachers will be responsible for providing students with make-up work and identifying a reasonable deadline for completion.

Illness or Medical Appointment

1. Parent provides a note from a health care provider to the front office.
2. School front office staff records absence as E-DR.

Family Death, Family Emergency, Religious Holiday

1. Parent provides notification to the school that the student will be absent.
 - a. For students who have NOT missed 10 percent or more of the school year, parent notification (e.g. call, email) will be accepted for documentation of absence.
 - b. For students who have missed 10 percent or more of the school year, additional documentation in addition to parent notification will be required (e.g. obituary, wedding announcement)
2. School front office staff will record the absence using the appropriate school code (i.e. E-B, E-CT, E-R, E-FE).

Related to IEP or Section 504 Plan

1. IEP or 504 Team identifies and documents in student plan specific criteria for excused student absences (e.g. doctor's note identifies chronic medical illness, parent calls when student is absent due to chronic illness)
2. IEP or 504 case manager communicates this criteria to front office staff.
3. Parent provides notification to the school that the student is absent due to pre-identified individual student needs.
4. School front office staff will record the absence using the appropriate school code.

Procedure for Education/Vacation Leave

A student may be allowed up to ten (10) days for education/vacation leave in a given school year, if prior arrangements have been made with the school for the student to make up his/her homework.

1. Prior to education leave, parents complete an Education Leave/Vacation Form for approval.
2. Teachers will complete Work to Be Completed section and determine a reasonable due date.

2018-2019 Midvalley Elementary Attendance Plan

3. School administration will verify education leave. If education leave exceeds 10 days within one school year, school administration will communicate with their School Performance Director to determine if approval of additional days may be granted.
4. Students will complete work assigned by teacher and submit within the identified timeframe.

Unexcused Absence: If a parent fails to make prior arrangements with the principal for extended student absences and if the school cannot locate the parent or student to verify the reason for the student’s prolonged absence, the student’s absence is unexcused.

- Students with **unexcused absences** may be able to make-up work subject to approval by the principal.
