

The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our Smith's Inspiring Donations. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Smith's and swipe your Shopper's Card. Here's how it works:

### **1. Create a digital account.**

A digital account is needed to participate in Smith's Inspiring Donations. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

### **2. Link your card to an organization.**

Selecting the organization that you wish to support is as simple as updating the Smith's Inspiring Donations selection on your digital account.

- Sign in to your digital account either online or through the mobile app.
- Locate the "Inspiring Donations" section and click to continue.
- Search for your organization by number: **RL740** or name: **Midvalley Elementary**
- Select the organization you wish to support from the list and click "Save".

Your selected organization will also display in the Smith's Inspiring Donations section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

### **3. Your organization earns.**

Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Smith's Inspiring Donations will donate 0.5% of all eligible spending to organizations that customers have linked to their Rewards Card

### **Get started today!**

Note, if you are a customer make sure you have a preferred store selected to view participating organizations. If you have any questions please contact customer service.
