Midvalley Elementary School Community Council was pleased to be able to spend \$55,588.78 of LAND Trust funds on Jr. Huskies for the 2020 - 21 school year. It was determined that funds should be spent on reading and math. To increase reading and math achievement, students were identified as performing below benchmark on Acadience testing. Students identified received daily math and reading intervention support from paraprofessionals under the direction of the achievement coach. Funds were also spend on additional chromebooks for teachers to utilize during core and skill based instruction. The Midvalley SCC sees our LAND Trust Plan resources as a crucial component of our student achievement.
